

Community of Readers Kindergarten and First Grade

Dear Harmony Parents,

The Community of Readers is Harmony Elementary's school-wide reading program. The Community of Readers in Kindergarten and First grade will promote read aloud, genre studies and a love of reading. Teachers will read books on various genres, discussing the genre.

The first half of the year, each class will have a chart of the genres to be read and discussed. Upon completing the chart, each student in the class will receive a book and bookmark.

The second half of the year, each class will have another chart of the genres to be read and discussed. Upon completing the second chart, each class will receive an ice cream party.
