## Mrs. McElroy's News

### Look What We're Studying

**Reading-** We will continue to work on fluency and expression. We will be reading non-fiction and fiction and comparing features of both genres. We will ask questions as readers and infer meaning for understanding.

**Math-** We will learn to add/ subtract 2-3 digit numbers and review money and count back change.

**Science/Soc. St.-** We will learn about space and civil rights.

**Writing-** We will write informational pieces and work on revising and editing our writing.

### \*\*\*\*Reminders and Notes\*\*\*\*

- Labeling your child's coat may help it stay out of Lost and Found.
- All money should be in a labeled envelope.
- Please sign/initial agendas daily. I am working hard to remember to do my part and stamp them.
- Remember, you can find several great websites on the Harmony site.
- Remember that 20 minutes of reading is daily homework.

### Dates to Remember
