I so enjoyed getting to meet some of you Thursday night at Curriculum Night! Thank you to those of you who were able to attend.

If you are interested in helping out in with our class, please send me an email by Tuesday, August 30th letting me know what days you are available and what kinds of activities you're willing to help out with (such as helping with class events, going on fieldtrips, providing snacks or classroom materials, weekly student support, etc.) We appreciate anything you are able to offer!

Student of the Week

Our student of the week is Arianna! She likes the colors blue and purple and likes to eat rice and apples. She helps at home by cleaning her bathroom. Arianna hopes to be a doctor when she grows up!
