

Avery's All-stars

resa_avery@gwinnett.k12.ga.us

August 2010

Dear Parents,

Thank you so much for attending our Curriculum Night! I was so pleased to see all of you!

If you were unable to come, please notice the AKS brochure in your child's Friday folder. Read and sign the back portion. It can be detached and returned separately. I need this for every student!

There was a question last night about the SME program that is available for purchase. If you did purchase one last year, it is still up to date. You may email Mr. Sharpe with additional questions: hal_sharpe@gwinnett.k12.ga.us

You can now access the Reading Connection online! Look for the "newsletters and webpage" link on the Harmony website. Click on this link on the left side of the web page, then click on either *Reading Connections K-2* or *Reading Connections 3-5*.

Thanks!
Mrs. Avery
