February 2012

Dear Parents,

Make sure you have paid for the field trip!!! It is next Friday, February 10. Parents are welcome to meet us at the Capitol and enjoy the day. There is no charge for this.

We are finishing our unit on Fossils in Science. Our test on Eleanor Roosevelt was this past week. The next American Hero that we study is Thurgood Marshall. In Math, we are learning about elapsed time- PLEASE ask your child questions about this at home!

I will send a class list home next week for addressing their Valentines! They will exchange them on February 14 in the afternoon. Your child may decorate a box or bag for collecting these and bring that on Valentine's Day!

Thanks and have a great weekend!

Love,
Mrs. Avery
