Ms. Slaughter's News—April 20, 2012

Dear Parents,
Please be sure your child is preparing for the CRCT through review. The Social Studies book and Math book are great resources! You can check these out on Harmony's website.

Next Week:

Please make sure your student gets plenty of rest and has a good breakfast. It is also important to be on time for the CRCT.

Although the test is important, we do not want the students to be stressed. Positive and upbeat thoughts are required! They have worked hard all year! They can do it!

We will continue our review of important information in each subject!

Students will work on writing pieces throughout the week! They are learning to use analogies in their writing. Next week they will create a narrative piece using a prompt.
