*Mark your calendars:*

**Monday, September 6**  
Labor Day—school holiday

**Tuesday, September 14**  
Skate Night @ Skate Country

**Thursday, September 16**  
Author visit

Please send in a clean clear 2-liter plastic soda bottle with the lid from an upcoming project.

Also, please send in the following item by Thursday, September 9 for a math activity.

---

---

### IMPORTANT THINGS TO REMEMBER

- \*Your child needs to bring a healthy snack to school every day.
- \*If there are any changes in how your child will get home from school, **we must have a signed, dated note THAT DAY.**
- \*Tennis shoes are the safest most appropriate shoes for students in kindergarten. They must be worn on the days we have PE to ensure your child's safety as he/she practices basic running, galloping, and sliding skills.

### HOMEWORK

**Social Studies:** Please help your child practice his/her place in the world. "I live on the planet Earth, on the continent of North America, in the country of the United States of America, in the state of Georgia, in Gwinnett County, in the city of Buford." Each child will produce a model to help them visualize this concept.

**Math sheets** need to be completed and returned by Thursday, September 9.

Remember, your child will have "homework" nightly. These will be activities to practice and reinforce what we have done in class. The standing homework (every week) will be:

- \*read to your child at least fifteen minutes nightly
- \*practice numeral recognition to 30 as well as upper and lower case letter /sound recognition.

### SPECIALS

Monday: Holiday  
Tuesday: music  
Wednesday: math  
Thursday: PE  
Friday: Art

**Please remember to have your child wear tennis shoes on PE day.**

Star student this week is...

**Allie Schor**
