### Wow What a Year!!!

I can't believe our first year in kindergarten is coming to an end. I have truly enjoyed watching my babies grow and mature into "big kids" this year. It always amazes me how much they learn and grow over the course of a school year.

I have also enjoyed working with you and getting to know your families as well. You have been a great and supportive group of parents to work with. Please stay in touch via email... [debbie\\_rigsby@gwinnett.k12.ga.us](mailto:debbie_rigsby@gwinnett.k12.ga.us). I will be teaching Kindergarten at Sugar Hill Elementary.

Please continue to have your child read, read, read over the summer! They can also keep practicing those sight words, maybe keep a vacation journal, practice counting sea shells, *anything* but watch TV all day!!!

Have a wonderful, safe summer everyone!

### Mark Your Calendar

May 21- End of the Year Celebration

May 23- Last Day of School!!

May 23- Last Day of School!! **NO BOOKBAGS! If you bring lunch or a water bottle, all parts must be disposable. You will only carry your report card home on the last day.**

Please look around at home for any stray reading books that have come home in reading bags and not made it back to school. We really need those back,

### NOTES

#### End of Year Excitement!

*As we approach the end of the school year, the excitement builds and so do behavior issues. Please continue to remind your children that school is not over until the last day. Thank you for your continued support.*

**A BIG SHOUT OUT** to our room moms this year: Mrs. Laurens! Without her coordinating activities, gathering supplies, and helping with the class, this year would not have been such a success. You ladies are awesome!! Also, thank you to Mrs. Conn, Mrs. Dellinger, Mrs. Kim and Mrs. Bruda for faithfully coming in each week to help out in the classroom. The kids really appreciate you and so do we!
