## Look What We Are Studying

**Language Arts:** Next week we will be reading and listening to tall tales related to our social studies unit on folk heroes.

**Math:** We will continue to work on two digit addition and subtraction, as well as addition fact fluency.

**Social Studies:** We will begin a unit on famous American folk heroes, such as Johnny Appleseed, John Henry, Paul Bunyan, and Davey Crockett. Each afternoon, we will rotate to another first grade classroom and learn about a different legendary hero.

## Class Notes...

\*We finished the CRCT on Friday! The students all did a great job concentrating and trying their best. In the coming weeks, we will be completing our end of the year assessments in reading and writing.

\*Please remind your child that even though we have finished with CRCT testing, the school year is not over! In the coming weeks, we will be covering material that is important for second grade. Please encourage them to be on their best behavior.
