

Mill Creek Cluster Schools... There's an app for that!

That's right, you can now keep up with all of the who, what, when and where for all the Mill Creek Cluster schools right on your iPhone, iPad and Android devices through the Mill Creek Cluster Connection mobile app!

The Mill Creek Cluster Connection mobile app is free and will be available in the Apple App Store and the Google Play store on February 28th by searching for Mill Creek Cluster Connection. With it, you can:

- Opt-in to receive push notifications
- Keep up with the latest news and information
- View calendars for general events, athletics, clubs and school organizations
- Add events & calendars to your device calendar or share calendars
- View a map of event locations & get directions to off-campus events
- Find faculty and staff contact info
- Access quick links to school menus, online gradebook system and more
- Get important documents, view picture galleries & other media
- Students can use the valuable My Assignments virtual assignment book to manage homework, projects, tests, and track projects.

The app will enable users to stay connected and receive real time information from the school or schools of their choice and features a new logo designed exclusively for the app by senior Mill Creek art student, Arianna Banuelos.

"We are extremely excited about the impact this app will have on our cluster. We live in a mobile society and now more than ever it is essential to make information readily available to users on the go. The Mill Creek Cluster app will meet that need by allowing us to connect directly with students, parents, staff and community efficiently, consistently and in real time."

—Jason Lane, Principal of Mill Creek High School
