Diggin' in the Dirt day was a huge success thanks to all of the volunteers who came out to help! And, a big Thank You to Lowe's for giving us a great deal on our landscape supplies! We were blessed to have Mark Sawyer, owner of Lawn Services & More, Inc. blow off and clear the paths the evening before in order to make our job easier. Despite the forecast of impending rain, we were able to complete the clean up before the majority of the rains came. I want to personally thank Mark Sawyer, Marcie and Lauren Hall and all of the girls from Girl

Scout Troop 1195, Carole and Grace VanHooser, Jill McKee, Jeremiah Christi, Celina Chau, Bria Abbot, Esther Park and Raquel Arthurs. If it weren't for all of your hard work, we would have never been able to get the work done prior to the rains. I have visited the classroom since the rains and all of the mulch we spread has stayed in the paths and it looks great!

Thank you again for making the day a huge success!

Outdoor Classroom Chair
