

Hey WildCat Parents!

Looking for a special way to recognize your child's accomplishments this year?
How about an Ad in the Yearbook?

Line or Page Ads are a terrific way to let your child know how proud you are of them & how much you appreciate all of their hard work!

Line Ads – For \$5 you can place a line of text up to 200 characters; this includes your child's name in bold, and your message.

Page Ads – 1/8 page \$25, 1/4 page \$50, 1/2 page \$75, full page \$125. We will work with you to design the ad for your child. See reverse side of this sheet for sizes.

What you need to decide:

- What kind of ad you would like to have— *line ad* or *page ad*
- What your message will be for a *line ad* OR
- What pictures to use, and what text to include for a *page ad*

How to submit your text and/or pictures:

Electronically – You can email Karen Jones (harmonywildcats.yearbook@gmail.com) the words and/or pictures you would like to use. Also, it would help to send a layout (how you want your ad to appear). You can send the layout to your child's teacher to be placed in the PTA mailbox, or by email as well.

Manually - You can send in a disc with the pictures you want or the printed pictures with child's information on the back, and a note attached with the text that you want.

Fill out an order form, which can be found in the office or online under "PTA", and then under "Forms". This is the "All in One Form". We have sent home Yearbook Order envelopes, but if you need another one you can get it from the office or from the PTA table outside of the cafeteria. Make checks payable to Harmony PTA.

What happens:

- We will do a layout of how your ad will look and then send you a copy for your approval.
- Your child will have a great big smile on his or her face when they see their special ad!

Business Ads are also available!

The same page ad prices from above apply to advertise for your business. If you are interested please contact Karen Jones at harmonywildcats.yearbook@gmail.com.

SUBMISSION DEADLINE IS February 28, 2011
